

2008 Newsletter

www.DrAnnHuycke.com

HAPPY HOLIDAYS TO YOU AND YOUR FAMILIES!

Reminder

The office is closed for the Christmas Holiday Dec. 22 thru Dec 29th.

Employers Resource Insurance now covers Thermographic procedures.

Did you know...

Wine from California (even organic) is contaminated with aluminum and fluoride. Best choices are probably organic European wines.

Cell phones cause brain cancer! Please refer to George Carlo's book: [Cell Phones, Hazards in the Wireless Age](#). Children are very sensitive to this electromagneticism. Use the speakerphone or texting function on your cell phones. Please minimize a child's cell phone use. **I can check your cell phone for biological interference between 11 am and 1pm Friday November 21 at our office. It will take less than 10 minutes for \$15.**

If your insurance company sends a reimbursement check to Dr Huycke, it will be returned to your insurance company.

Office Corner

Don't wait till its all gone!

- Allow 48 hours for prescription refill requests. Your pharmacy can fax a request to our office at 658-6811.
- Dr. H phone calls are for urgent matters, lab results, or scheduled phone consultations.
- Supplements are non refundable once they leave the office.
- **Office hours:**
Mon, Tue, Thu: 8am - 4pm
Wed: 8am - 1:30pm
Fri: CLOSED

Natural Home Health Class

Date and Time : November 20, 6:30PM to 8:30PM
Location : Artist for a Day
7609 W Overland Rd, near Edwards Theatres
RSVP : Please RSVP to office@drannhuycke.com

Get ready for winter with information and instructions for treating simple health problems at home. Most of the remedies discussed will be homeopathic. Homeopaths do not expire, so this is a great time to assemble your kit to have ready for a grab-and-go trip or for a home storage medical kit.

Vitamin D Information

This past last year, we have done multiple Vitamin D tests, and it is a rare person who has a normal level. We are going into a cloudy and overcast season in Boise. I recommend everyone take some form of Vitamin D - either as cod liver oil or Vitamin D. Not only does adequate vitamin D levels prevent osteoporosis, but decreases breast cancer risk and lower incidence of depression. We sell both products at the office.

Need Your Attention

If your plastic bottles have a #7 in the triangle on the bottom, it is mostly polycarbonate which is too toxic to even recycle. **It is not recommended you drink, eat or microwave in these containers.**

New Affiliation

We are now affiliated with **LAB Corp**. We offer a thyroid test for \$68 thru our office, plus our draw fee \$15.50. This is affective immediately.

New Changes

We have made many changes in the office this year to better serve you.
THANK YOU FOR YOUR PATIENCE.
